LIST OF NEW ROSES,

AT PRICES QUOTED. ——»**AND ROSES OF SPECIAL MERIT.**

New Forcing Rose, KAISERIN AUGUSTA VICTORIA.

This beautiful Rose has not only a royal name, but is a royal Rose as well. We have white Roses that have elegant buds, but when full blown are not a ! that is desired. Then again, we have white Roses that are elegant when full blown, but have poor buds. This Rose combines both these good qualities. It is a continuous bloomer, producing successive crops of buds, and formed with large petals of best substance; shows no center when full open. Color a pure snowy-white. **Price, Fine 3½ inch pots, $1.00 per dozen, $8.00 per 100; nice 2½ inch pots, 75 cents per dozen, $5.00 per 100.**

New Golden-Yellow Tea Rose, MEDIA.

There is no denying the fact that yellow and white Roses are admired by every-one, but the yellow has the more admirers of the two. The size and shape is all that could be desired; full, round flowers of the largest size, perfectly double to the center, and the fragrance is elegant. The growth is vigorous, while the foliage is of green that goes so well with yellow. **Price, 75 cents per dozen; $5.00 per hundred.**

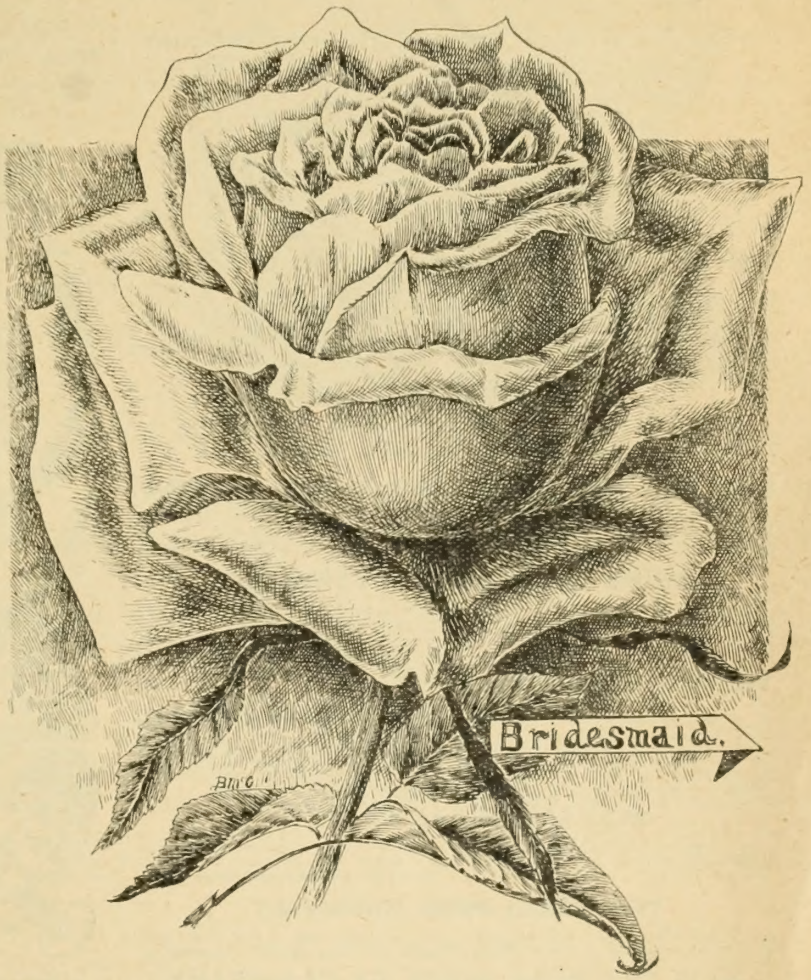
New Forcing Tea Rose, Md. Pernet Duchere.

A charming new Tea Rose, canary yellow, suffused with copper, long, pointed buds on every shoot. Is a wonderful bud producer. Inclined to come somewhat single during the hot weather. It is a favorite forcing Rose in Europe, and no doubt will become very popular when better known. **Price, 75 cents per dozen; $5.00 per 100.**

New Forcing Tea Rose, Christine de Noue.

(The Double Papa Gontier.)

This beautiful new red Tea is a very charming Rose, and promises to be one of the best of recent introduction. It is particularly valuable because red has been a very scarce color among Tea Roses, and this one seems exceptionally fine. It is a splendid grower, making a large-sized, graceful bush, with bright, deep green foliage. A constant and very free bloomer. The flowers are well borne up on stems, and are usually large and handsome. It is a very double Papa Gontier, and will be splendid for forcing. **Price, 60 cents per dozen; $4.00 per hundred.**



New Forcing Rose, BRIDESMAID.

A new Rose. A sport from that old standard, Catherine Mermet. This variety retains all the good qualities of the parent, besides adding charms not possessed by the sweet Catherine. All know that Catherine Mermet takes precedence as a pink Rose. More plants of it are cultivated by the amateur, and more cut bloom is sold by the flower dealer of it than any pink Rose. Why? Because the bud is of exquisite shape and contour, so solid and firm, and the stems are so long and stiff that no other Rose will compare with it in keeping qualities after being cut. It has, though, with all these good qualities, a serious defect, namely, "off color." This is noticeable more in dark, cloudy, weather, but is true of the Rose at all times. Now, this is why the Bridesmaid will supersede the Mermet. It is about two shades deeper in color—just enough to make it bright; and it is the same color all the time under every condition of weather and surroundings. **Strong two-and-a-half-inch pots, 60 cents per dozen; $4.00 per hundred.**

New Tea Rose, Madame Elie Lambert.

A beautiful new Tea Rose. The colors are not particularly remarkable—scarcely unusual—and yet we have no hesitation in recommending it as one of the most beautiful and valuable Roses of which we have any knowledge. The flowers are extra large, fine, globular form, very full and well built up. The French description says it is the absolute perfection of form. The color is somewhat in the way of Madame de Watteville, but deeper; rich creamy-white, faintly tinted with pale golden-yellow, and exquisitely bordered and shaded with soft, rosy-flesh, exceedingly beautiful and very sweet, petals large and of good substance, constant and profuse bloomer, strong, vigorous and healthy grower—in short, a magnificent Rose in every way. **Price, 75 cents per dozen; $5.00 per hundred.**

NEW ROSE, HENRY M. STANLEY.

This grand new ever-blooming Rose was raised from Madame Lambert and Countess Riza du Parc, and named in honor of the great African explorer, and is recommended as a charming variety of unusual beauty and permanent value. The color is a rare shade of amber rose, delicately tinged with apricot-yellow towards the center. Reverse of petals clear buff rose. The flowers are of good substance, extra large, finely formed, and very full and fragrant. **Price, 75 cents per dozen; $5.00 per hundred.**

CALIFORNIA'S NEW ROSE, THE RAINBOW.

This new Rose from California, which, no doubt, will be extensively planted, was awarded a silver cup by the State Floral Society. The color is a lovely shade of deep floral pink, striped and mottled in the most unique manner with intense crimson, and elegantly colored with rich, golden-amber at center of base of petals. It makes beautiful buds, and the flowers are extra large, very sweet and of great depth and substance. **Price, 60 cents per dozen; $5.00 per hundred.**

NEW TEA ROSE, J. B. VARRONE.

A fine grower, flowers very large and double, with high center opening from long buds. Color a soft China Rose, changing to bright, deep carmine of even shading. An extra good Rose, and very sweet. Much superior to Luciole, which it greatly favors, but of a better growth and much freer in blooming qualities. A grand new Rose. **Price, 75 cents per dozen; $5.00 per hundred.**

New Ever-Blooming Rose, Crown Princess Victoria, or White Malmaison.

It is a vigorous grower, with large, fine foliage, and is one of the loveliest of all Roses. The color is a pure, waxy snow-white, sometimes has a lemon tint, and to those who desire a fine double flower when fully expanded, this will meet your wants, as it is very beautiful when full blown. Certainly a good acquisition. Resembles that grand old Rose "Malmaison" in shape and fullness. The best white Rose we have to offer you. **Price, 75 cents per dozen; $5.00 per hundred.**

NEW CRIMSON TEA ROSE, MARION DINGEE.

The flowers are large, beautifully cup-shaped, moderately full and borne in wonderful profusion all through the growing season. In fact, we scarcely know of any other Rose that will produce so many perfect flowers in a given time, and whether in open ground or under glass it is a most constant and profuse bloomer. The flowers are borne nearly upright on long, straight stems, and are of excellent substance, having thick, leathery petals, holding their form and color a long time. The color is perhaps its most remarkable feature. It is a deep, brilliant crimson, one of the darkest, if not the very darkest, and richest colored Tea Rose in existence. **Price, 75 cents per dozen; $6.00 per hundred.**

NEW TEA ROSE, CAPTAIN LEFORT.

Color of flower rosy-purple, reverse of petals China Rose. This variety is a cross between Socrates and Catherine Mermet. Long buds on stiff stems. A variety of great merit. **Price, 50 cents per dozen; $4.00 per hundred.**

The Great Forcing Rose, Catherine Mermet.

A beautiful, clear rich color, with the same silvery lustre seen in La France. Large, well formed. Very beautiful in the bud. One of the most popular Roses for cut-flowers. **Price, 50 cents per dozen; $4.00 per hundred.**

NEW TEA ROSE, LUCIOLE.

A new French Tea Rose of much more than ordinary merit, very bright carmine rose, tinted and shaded with saffron, the base of the petals being copper yellow, with reverse a rosy-bronze, large, pointed, very double, and very sweet-scented; flower stem roughened like a Moss Rose; the coloring is entirely new and very brilliant. The open Rose reminds one of a ripe, red peach. No rose equals it in its delightful color and size of buds. **60 cents per dozen; $5.00 per hundred.**

New Ever-Blooming Rose, Mrs. DeGraw.

Everybody wants a hardy, ever-blooming Rose, and we now offer the grandest of this class. From early Summer until frost it can be depended upon to produce flowers of large size and exquisite fragrance in lavish abundance. In color it is a rich, glossy pink. It is such a strong grower that it is almost impregnable against attacks of insects. For garden or cemetery plots it has no equal. It is a royal rose. **Price, 50 cents per dozen; $4.00 per hundred.**

JOSEPH METRAL.

This is a strong, vigorous Rose, with fine, rich foliage. Flowers unusually large and of good form. Color magenta, passing to cerise red, shaded with purple. Received two medals of merit. **Price, 50 cents per dozen; $4.00 per hundred.**

FORCING TEA ROSE, PERLE DES JARDINS.

Without doubt the finest rose in cultivation. Canary or golden-yellow flowers, large and beautifully formed. Handsome in every stage of development, from the the smaliest bud to the open flower. **Price, 60 cents per dozen; $4.00 per hundred.**

REINE OLGA DE WURTEMBURG.

A splendid Rose, and should be grown where the Marechal Neil does not succeed. This variety, as grown in the south of France, is simply indescribable. The people in the South would do well to employ this beautiful sort for covering verandas and trellises. Color a rosy-carmine, suffused with yellow. **Price, 50c per doz.; $4.00 per 100.**

The New Hybrid Tea, Madame Caroline Testout.

This is one of the introductions of '91. A really grand Rose, of the La France type, but larger and of better color. It is clear pink in color—there is nothing in the Rose line that can approach it in color, and the flower is as large as Baroness Rothschild, and as free as La France. **Price $1.00 per doz; $8.00 per hundred.**

MADAME ISAAC PERIERE.

(Bourbon.) One of the best Roses we have. Very hardy, and a constant bloomer. It has large, beautiful foliage, and is a vigorous grower. The flowers are a beautiful carmine, and bloom throughout the season. **Price, 50c per dozen; $4.00 per 100.**

TEA ROSE, PROF. CANIVIAT.

Vigorous in growth and free in bloom. Flower double and of good form, of the color of Souvenir Therese Levet. **Price, 50 cents per dozen; $4.00 per hundred.**

NEW TEA ROSE, SOUV. DE CLAIRVAUX.

The flowers are extra large, having a deep, full form, well built up; the buds, too, are large, long and pointed, altogether giving an idea of luxuriant beauty that but few roses possess. The color is bright pinkish rose, very rich and handsome, and shading darker or lighter, according to season and temperature; when fully open the base of center is seen to be finely shaded apricot yellow. **Price, 75c doz.; $5.00 per 100.**

NEW TEA ROSE, SOUVENIR DE LADY ASHBURTON.

Flower grand size and quite double, very changeable in color, showing a great variety of shades—red, salmon, yellow, scarlet, sometimes combined, and again as selfs. **Price, 75 cents per dozen; $5.00 per hundred.**

NEW TEA ROSE, MAURICE ROUVIER.

Flower of enormous size and quite double; splendid form. Color a soft, tender rose, shaded and varied with red. **Price, 50 cents per dozen; $4.00 per hundred.**

NEW ROSE, STRIPED LA FRANCE.

(**Madame Angellque Veysset.**) Everybody knows the beautiful La France—a Rose that has always had such a ready sale that the demand has never been fully met. Striped La France combines all the good qualities of La France in growth, fragrance, shape of bud and flower; in fact, differ, from it except in two points. First, it is freer in bloom than the parent; second, it is nicely striped, the marking being plain and distinct, and the variegation a beautiful bright rose on a satin-pink ground We planted several thousands to test them, and the many thousands of our friends who have seen it prefer it to La France. **Price, 60c per dozen; $4.00 per hundred.**

NEW TEA ROSE, SNOW FLAKE.

It is a lovely new white Tea; the freest flowering Rose we have ever seen. The Rose was introduced by C. Straus & Co., of Washington, D. C., and by them grown in large quantities for cut flowers, they claiming it the most profitable white Rose they grow; that they had counted 153 buds and flowers on one plant in a single day, and the plant less than a year old. **Price, strong plants, 50c per doz.; $4.00 per 100.**

NEW TEA ROSE, THE QUEEN.

A most charming Tea Rose. The offspring of that fine old Rose, Souvenir d'un Amie, whose many good qualities it seems to possess in a remarkable degree. It is pure snow-white, makes good, finely-formed buds, is quite full, showing the center but slightly when fully open. The petals are thick and of good substance, opens well, is very sweet, and has proved valuable, both for forcing and open ground planting. We recommend it for extended trial, as it will be found a valuable acquisition to our list of pure white, ever-blooming Roses. **Price, two and a half inch pots, 50 cents per dozen; $4.00 per hundred.**

New Tea Rose, Countess Eva Starhemberg.

This bud is long in form, opening into a fine double flower of great beauty and heavy texture; color, creamy-yellow, shading to ochre at the center; borders of the petals touched with rose. **Price, 75 cents per dozen; $5.00 per hundred.**

NEW FORCING ROSE, WHITE LA FRANCE.

(**AUGUSTINE GUINNOISEAU**). A rose we can recommend to all, whether for out-door culture or for pots in the house in Winter. If you were to ask us to select six of the very finest roses for you, we should be sure to include it in the six. Do you know La France? If so, you know this elegant new Rose. It is identical with La France, except the color. It is pearly white, sometimes tinted with fawn. Thousands of persons who have visited our grounds last summer have been startled with the beauty of this Rose, one and all exclaiming, "What beautiful rose is this?" We predict for it far more popularity than La France ever attained. Don't fail to get this new Rose. **Price, 75 cents per dozen; $5.00 per hundred.**

HYBRID TEA ROSE, LA FRANCE.

It is of superb form, and double as a rose can be. No variety can surpass it in delicate coloring—silvery rose shades, with pink. It has satin sheen over all its petals. It is most universally regarded as the most useful of Roses, for it is hardy beyond question. It blooms continuously. The flowers are large, finely built, endures for a great length of time, is exquisitely colored, and fragrant in the highest degree. Another Rose of which one cannot have too many. **Price, two and a half inch pots, 10 cents each; 50 cents per dozen; $4.00 per hundred.**

New Tea Rose, Madame Pierre Guillot.

Moderately vigorous in growth. Flowers large and nice shape. Color orange yellow, bordered and lined with rosy carmine, reverse of the petals yellowish-white. A magnificent variety and the prettiest Rose of the set. **Price, 75 cents per dozen; $5.00 per hundred.**

NEW CLIMBING ROSE, WALTHAM QUEEN.

(Waltham Climber No. 3.) This splendid new ever-blooming Climbing Rose is introduced from England, where it has given great satisfaction. It is a valuable acquisition, particularly for the South and Pacific Coast, and though not entirely hardy in the North, it will probably do well in many situations in the Middle States. It is a strong grower and continuous bloomer. Nothing can compare with this for beauty of bud and foliage, and it literally lavishes in the greatest profusion its beautiful, rich, red flowers of magnificent size. This Rose has been awarded first premium wherever exhibited. It has our highest praise. Price, two-and-a-half inch pots, **60 cents per dozen; $4.00 per hundred.**

DEVONIENSIS—(Magnolia Rose).

A beautiful creamy-white, with rosy center, large, very full, and a delightfully sweet Magnolia fragrance. **50 cents per dozen; $4.00 per hundred.**

New Tea Rose, Comtesse de Frigneuse.

In color charming in freedom of bloom second to none. The buds are long and pointed, not unlike Niphetos in form, and good size. The color is a deep golden-yellow, with softer shade inside of petal. As a yellow Rose this takes rank next to Marechal Neil. **50 cents per dozen; $4.00 per hundred.**

COUNTESS ANNA THUN.

Flowers freely produced on short, stiff stems; shows the characteristics of a good bedder. It is of immense size, and of the most perfect form imaginable. Color a beautiful citron yellow, with coppery and peach center, shading to a salmon and silvery-pink, the colors blending nicely. **75 cents per dozen; $5.00 per hundred.**

TEA ROSE, LETTY COLES.

One of the loveliest Roses grown, without exception. It is very double, and cuped, forming a magnificent, full, open Rose of soft, creamy-white, with a very bright, rosy carmine center. A splendid grower and universal favorite. **50 cents per doz.; $4.00 per hundred.**

ETOILE DE LYON.

This is considered one of the finest yellow bedding Roses for outside planting, it is, moreover, one of the hardiest in the Tea section. It blooms freely, and every flower is a gem. It equals Marechal Neil in size, on strong bushes. A deep chrome yellow. A remarkable Rose, deserving extensive culture. **Price, 50 cents per dozen; $4.00 per hundred.**

MONSIEUR FURTADO.

Deep sulphur-yellow, described by Mr. Ellwanger as the best yellow pot Rose. It should be grown more largely, as it is excellent. **50 cents per dozen; $4.00 per hundred.**

MADAME WELCHE.

An extra fine variety, very large, double, and of beautiful rounded form, a soft, pale yellow, sometimes cream, with short, inner petals of glowing orange and copper. Not to be forgotten if once seen. Price, two-and-and-a-half inch pots, **10 cents each; 50 cents per dozen; $4.00 per hundred.**

RED MALMAISON.

(Souvenir de la Malmaison a Fleurs Rouges.) This beautiful Rose is identical with Souvenir de la Malmaison except in color, which is a clear, deep, rich scarlet. A grand and handsome Rose in every respect. **Price, 75 cents per dozen; $5.00 per hundred.**

CUSTAVE NADAUD.

(Supert & Notting.) A free-branching grower, with large, double flowers. The outside petals are large and rounded, giving it an exquisite cup shape. Color vermillion, with clear touches of carmine-lake and soft pink center. **Price, 60 cents per dozen; $4.00 per hundred.**

Tea Rose, Mademoiselle Franciska Kruger.

The striking color of this handsome Rose places it at once in the front as a bud producer in the open air. It is closely allied to Catherine Mermet, and resembles it in evergthing save color. In its shadings of deep coppery-yellow it stands unique and distinct from all others. The flower when open is of good size and very symmetrical. **50 cents per dozen; $4.00 per hundred.**

VISCOUNTESS FOLKESTONE.

(Hybrid Tea.) No Rose in our Catalogue has grown in popularity during the past year like Folkestone. Unsurpassed among light-colored varieties. Graceful to the last degree, with strong, heavy foliage. The flower is delicately tinted flesh, almost white, and lustrous as satin. When in full bloom it is like a fine white Paeony, but without a suggestion of stiffness. **Price, 50 cents per dozen; $4.00 per hundred.**

FORCING ROSE, PAPA CONTIER.

A lovely Tea Rose, has proved all that has been claimed. The blooms are large and long, with thick, broad petals of dark carmine-crimson. The inner petals are a bright, rosy-carmine, and light up well at night. It is delightfully fragrant, and combines all the qualities of Bon Silene which have that Rose famous. The most popular forcing Rose of its color. **50 cents per dozen; $4.00 per hundred.**

The Old Ever-Blooming Rose, HERMOSA.

We believe the Hermosa is the best known in the entire Rose family, and a universal favorite. Hardy as a lilac bush and as free-flowering as the geranium, it combines everything most desirable in a Rose. The flower is cupped, finely formed and full, color the most pleasing shade of pink, soft but deep, and very fragrant. We have a large and fine stock of this standard variety. **Price, 50 cents per dozen; $4.00 per hundred.**

THE METEOR.

The New Crimson Forcing Rose, Meteor.

A velvety-red ever-bloomer, of the deepest glowing crimson. As fine as a Hybrid Flower of medium size, very double, and petals slighly recurving. A beautiful open Rose, a free bloomer, and promising well as a pot Rose. It has no tinge of violet or purple to mar its beauty. It promises to be a reliable dark ever-bloomer, free from bad qualities. The best rich red Rose that was ever introduced for florists' use. The usual demand for this Rose for forcing has caused us to grow them in large quantity, and we offer them in two sizes. Nice, strong, two-and-a-half inch pots, **50 cents per dozen; $4.00 per hundred.**

HYBRID TEA, MADAME SCHWALLER.

This Rose has the strong firm growth of the Hybrid Perpetuals, the same form and finish of flower, especially full grown. It is very free in bloom, and has the fragrance of La France. The color is a bright, rosy-flesh, paler at the base of the petals and deepening on the edges. Apt to come in clusters, which are excellent for cutting. **Price, 50 cents per dozen; $4.00 per hundred.**

The Fine Cemetery Rose, Madame Plantier.

Not a true Hybrid Perpetual. Blooms only in the Spring, but at that time is literally covered with pure white, perfectly double, fragrant flowers, which hang on for a long time. It makes large, dense bushes. As hardy as an oak. **Price, 50 cents per dozen; $4.00 per hundred.**

JEANNE CUILLIAUMEZ.

(Bonnaire.) A very vigorous grower. Flower large and double, of good form, with beautiful long buds. Color a clear red, touched with salmon, center coppery-red, with pale silvery shadings. Received first-class certificate from the Lyons Horticultural Society. **Price, 60 cents per dozen; $5.00 per hundred.**

DUCHESS OF EDINBURG.

A splendid Rose, producing very large buds of the most intense deep crimson. It flowers freely and is very vigorous. A grand Rose. **Price, 10 cents each; 50 cents per dozen; $4.00 per hundred.**

NEW TEA ROSE, MISS WENN.

This charming variety is noticed at once for its exquisite color, which seems entirely distinct from almost all other Roses of our acquaintance. We call it a clear coral pink, a most novel and distinct shade of color very difficult to describe. The French call it China Pink. It is certainly a very beautiful color, and full and exquisitely Tea scented. **Price, 75 cents per dozen; $5.00 per hundred.**

The Yellow Hermosa, Coquette de Lyon.

No Rose like it for freedom of bloom. The plant is a fine grower and carries numbers of flowers on every shoot. A fine yellow Rose, large, not all formal, but very attractive. Called the Yellow Hermosa from its free-flowering character. **Price, 50 cents per dozen; $4.00 per hundred.**

New Tea Rose, Souvenir de Victor Hugo.

Bright China Rose, with coppery-yellow center, edge of petals suffused with carmine. A charmingly beautiful combination of coloring, and each color blends nicely with the other. The variety will take rank with the best, and is a Rose of decided merit. **Price, 50 cents per dozen; $4.00 per hundred.**

THE SUPERB, NEW, EVER-BLOOMING ROSE, CLOTHILDE SOUPERT.

THE BEST MARKET POT ROSE.

This rose originated with Messrs. Soupert & Notting, of Luxembourg, Belgium. It is a strong, vigorous grower. The flowers are large, double, beautiful in form, with the style of the beautiful Rose, "Ball of Snow." The flowers are borne in sprays, and the color blends from a soft shell pink to a pure satiny white. Roses with both of these colors are produced on the same plant at the same time. This Rose is destined to take high rank as a pot Rose for bedding purposes, and with the increased taste for Roses in clustered sprays, will be profitable as a cut-flower. No other Rose approaches it in flowering qualities, not even the grand old Hermosa. **Price, 50 cents per dozen; $4.00 per 100; $35.00 per 1,000.**

MARIE GUILLOT.

Perfection in form; flowers large and double to the center. This variety holds first place among white Tea Roses in purity of color, depth of petals and queenliness in shape, grows well and is healthy. The best white Rose for general purposes grown. **Price, 50 cents per dozen; $4.00 per hundred.**

New Bourbon Rose, Madame Isaac Periere.

One of the best Roses we have. Very hardy, and a constant bloomer. It has large, beautiful foliage, and is a vigorous grower. The flowers are a beautiful, vivid carmine, and bloom throughout the season. **Price, 60 cents per dozen; $4.00 per hundred.**

New Tea Rose, Viscomtesse de Wautier.

Rosy yellow upon the exterior of the petals, rosy white in the interior. The center is a dark rose, and this color is often lined into the lighter shades above, producing a charming effect. A grand Rose. **Price, 60 cents per dozen; $4.00 per hundred.**

New Tea Rose, Franciska Pries.

One of the most robust growing varieties among the Teas, not climbing, but making long, and sturdy shoots. Flowers medium-sized. Color cream-white, shaded with amber. Exceedingly free-flowering. **Price, 60 cents per dozen; $4.00 per hundred.**

New Hybrid Tea Rose. Docteur Reymont.

Hardy, ever-bloomer, very handsome and beautiful, large, full, regular flowers. Color a bright, shining vermilion red, reverse of petals elegantly clouded with rich violet-crimson, exceedingly sweet, very striking and attractive, and believed to be one of the most valuable new Roses of this year. **Price, 10 cents each; 60 cents per dozen; $5.00 per hundred.**

NEW TEA ROSE, PRINCESS HOHENZOLLERN

A very strong, vigorous grower, with beautiful foliage, dark and large; flowers very large, more than semi-double, of perfect form, often produced in clusters. Color a bright, deep, satiny-red, with lighter center. Price, two and a half inch pots, **10 cents each; 50 cents per dozen; $4.00 per hunded.**

FORCING ROSE, THE BRIDE.

A lovely, pure white, very fragrant Rose, admirably adapted for forcing. The buds have more substance than Niphetos, are very full and double, and possess the good characteristics of Catherine Merment. Price, two and a half inch pots, **10 cents each; 50 cents per dozen; $4.00 per hundred.**

The New Forcing Rose, Duchess of Albany.

We have no hesitancy whatever in saying to our customers that this Rose stands at the head of all Roses, not excepting La France. What we wish to impress is the fact that as a Rose for all purposes it has no peer. It is identical with La France, excepting in three points. Those are: A more vigorous growth, a larger and more expanded flower, and a deep, even pink in color; not shaded, but is called a solid color. Ladies prefer it on account of its beautiful color to any other Rose for personal adornment, as it shows up well against either light or dark dress goods to a charming advantage. The growth of the plant is exceedingly vigorous, and the flowers, which are thrown up well above the foliage, are produced in extraordinary profusion, the plant being covered with handsome flowers. You will make no mistake to plant this Rose largely. Price, two and a half inch pots, **10 cents each; 60 cents per dozen; $5.00 per hundred.**

NEW TEA ROSE, FURSTEN BISMARCK.

A very variable colored Rose, changing from China Rose color to cherry-red, the whole suffused with lemon. A strong, vigorous new variety from Germany. This is a very promising variety, one of the best new Roses. Price, two-and-a-half-inch pots, **75 cents per dozen; $5.00 per hundred.**

NEW TEA ROSE, ELIZA FUCIER.

GERANIUM

"THE WONDER."

This new Geranium, without doubt, is the finest that has ever been offered, came from France in a lot of fine sorts, and is supposed to be a sport from the scarlet Geranium, Athelete.

It being so intense in color, such a wonderful bloomer and strong grower that it was kept separate and styled "The Wonder," from the fact that everyone who saw it pronounced it wonderful.

The artist has copied exactly in size, an ordinary truss. The flowers are the most intense, dazzling scarlet, and are borne in trusses of enormous size, measuring from 18 to 20 inches in circumference with single florets measuring 7 inches in circumference. The foliage is fine, and rich in color, and in strong contrast to the brilliant scarlet flowers.

As a pot plant or a bedding Geranium, it has no equal. **Price, 20 cents each; $2.00 per dozen.**

The Great Bedding Geranium.

BRAUNT.

The giant among Geraniums. We consider this the bedding Geranium of all varieties. The plant rebounds in vigor, foliage, and all the qualities that go to make the perfect bedder that it is. Fine also in pots. It is of the semi-double type (the most striking of all), only the double form takes place near the base of the petals, allowing them free development, and at the same time showing the semi-double type. It embodies all the advantages of both types, the perfect development and free-blooming qualities of the singles, the fullness and beauty of the doubles, without their great fault of having the florets damp and drop off and become unsightly when planted outside. **Price, 60 cents per dozen; $5.00 per hundred.**

The Incomparable Single-Flowered

Salmon Geranium, Mrs. E. G. Hill.

There has never been a salmon-colored Geranium to equal this, although it has been introduced some four years ago, and it is rarely offered in wholesale lists, because it is at once picked up by market-growers. We have a nice lot growing, and think we will be able to meet the demand. For those unacquainted with the variety we would say it is a most distinct and pleasing shade of salmon, with light shading at the center. Trusses are large, and composed of an immense number of florets. The finest salmon-flowered Geranium to date. **Price, 60 cents per dozen; $5.00 per hundred.**

HETERANTHE--(Double) General Grant.)

BRUANT. We consider this the best bedding Geranium of all varieties. The plant rebounds in vigor; foliage is strong, striking and of perfect habit. Color of the flower is a bright vermilion red, of pleasing shade. The flowers are absolutely perfect in shape, color and make-up; trusses exceptionally large and borne in immense spherical balls often measuring eight inches in diameter. It makes a compact dense growth, and has all the qualities that go to make the perfect bedder that it is. **Price, 50 cents per dozen; $4.00 per hundred.**

WHITE SWAN.

In the White Swan we have the finest double white Geranium ever introduced, and, unlike other double white Geraniums, it is suitable for bedding, and flowers as profusely as the best single varieties. It is a dwarf, compact growing variety, with handsome, banded foliage, of a light and healthy green. The perfect double flowers are unsurpassed for cut flowers. They are borne in large trusses, and are spotless, snowy-white, retaining their pure whiteness even in the heat of summer. **Price, 50 cents per dozen; $4.00 per hundred.**

FIRE BRAND.

Color a dazzling flame scarlet, fine, prominent truss, flowers large and of great substance, an excellent bedder and pot plant. For planting in masses we have seen none to equal it. Another thing in its favor, it takes fewer plants from its sturdy branching habit to give effect. **Price, 50 cents per dozen; $4.00 per hundred.**

EMIL DE CIRARDIN.

The finest of all double pink Geraniums for market, and the best pot variety of this color; a fine strong grower with bright green foliage and enormous trusses of rice colored flowers, well above the foliage. **Price 50 cents per dozen; $4.00 per hundred.**

The Beautiful Single White MARGUERITE DE LAYRES.

We have a most beautiful pure white Zonal in this splendid variety. It seems as though Messrs Bruant and Lemoine were running a race on the single white Geraniums; for in this and the variety La Vestale, of Lemoine, we have two superb varieties for this year. There is little choice between the two, but if anything La Vestale perhaps leads for the open ground, whilst Marguerite de Layres is the finest for pot culture we have had for years. **Price, 50 cents per dozen; $4 00 per hundred.**

The Finest Double White Geranium for Bedding or Cemetery Planting. LA FAVORITE.

This is without any doubt whatever the best double white Geranium ever introduced. It is so far ahead of all others that a comparison is not necessary. Many extra fine plants have some weakness. This has not, being a strong grower, a profuse bloomer, and reliable in always coming perfect in color and substance. The trusses are very large. Flowers beautifully formed, of the purest white, and retains its color in the sun, not drawing to a pinkish color as does White Swan. **Price 50 cents per dozen; $4.00 per hundred.**

PEACH BLOSSOM GERANIUMS.

JOAN OF ARC.

Of the Souv. de Mirande type; very free flowering, even more so than Mirande. Color very distinct and attractive, being a bright orange red, the two upper petals blotched and feathered pure white to more than half their length **Price 60 cents per dozen: $4.00 per hundred.**

M. V. NOULENS.

May be described as a scarlet Mirande. It is a magnificent variety of large size, and of the most brilliant combination of clear white with scarlet border **Price, 60 cents per dozen: $4.00 per hundred.**

SOUVENIR DE MIRANDE.

The greatest novelty in new Geraniums that has appeared for a number of years is undoubtedly Souvenir de Mirande. It is entirely distinct from any other variety shown, and is quite different from the usual marked varieties that have from time to time made their appearance. It has round florets, upper petals cream white, with a distinct rosy-pink border; lower petals salmon-rose streaked with pure white. A most novel color. Among the new varieties of oranges that have been recently introduced from Japan and other countries, there is one dwarf-flowering variety, which is suitable for pot culture, and which, with any one, prove one of the most desirable pot plants it is possible to possess. While it will grow three or four feet high and branch freely, it is not an uncommon thing to see little cutting plants five or six inches in height full of bloom, and even bearing one or two medium-sized oranges. The fruit at their best are not more than half the size of any ordinary orange, but are very bright and beautiful in color and delicious in quality, but it is for its flowers more than its fruit which commends it to general cultivation. When it blooms it is so full that it seems to be all flowers. The pure waxy-white blossoms emit a delicate yet powerful fragrance, which is surpassed by no other flower.
